February 27th, 2026.

To: Coquina Cove neighborhood – Residents on Shore Drive.

Subject: Water Shutdown notice on Shore Drive on Tuesday, March 3rd, 2026.

Dear Resident:

This letter is to inform you the water service will be temporarily shut-off on **Tuesday, March 3rd, 2026,** from approximately **9:00 am** to **5:00 pm** to allow the City's contractor to relocate the water main in order to keep going with the installation of the drainage system on Shore Drive.

Once the work has been completed, the water service will be restored. Upon service restoration, you may experience discolored water, but it should clear up in a short period of time. Please note is recommended to boil water for 48 hours while work is taking place.

We apologize for this inconvenience and appreciate your patience as we make these improvements.

If you have any questions, concerns or would like additional information, please contact the project hotline at (561) 597-2518 or Info@TheMerchantStrategy.com

Sincerely,

Eduardo Garcia
Engineer II
City of Boynton Beach Utilities
